- 6.5 Third parties use cookies in the process of delivering content, including ads relevant to your interests, to measure the effectiveness of their ads, and to perform services on behalf of us.
- 6.6 You can prevent the storage of cookies by choosing a "disable cookies" option in your browser settings. But this can limit the functionality of our services.

7. Data Security

- 7.1 We take due care to protect customer data. Technical measures are in place to prevent unauthorized or unlawful access to data and against accidental loss or destruction of, or damage to, data. The employees who are dealing with the data have been trained to protect the data from any illegal or unauthorized usage.
- 7.2 We work to protect the security of your information during transmission by using Secure Sockets Locker (SSL) software, which encrypts information you input. SSL allows sensitive information such as credit card numbers, UID's and login credentials to be transmitted securely.
- 7.3 We follow the Payment Card Industry Data Security Standard (PCI DSS) when handling branded credit cards.
- 7.4 We maintain physical, electronic, and procedural safeguards in connection with the collection, storage, and disclosure of personal customer information.
- 7.5 We take reasonable steps to help protect your personal information in an effort to prevent the loss, misuse, and unauthorized access, disclosure alteration and destruction. It is your responsibility to protect your user names and passwords to help prevent anyone from accessing or abusing your accounts and services. You should not use or reuse the same passwords you use with other accounts as your password for our services.
- 7.6 It is important for you to protect against unauthorized access to your password and your computers, devices, and applications. Be sure to sign off when you finish using a shared computer.
- 7.7 Information you provide to us is shared on our secure servers. We have implemented appropriate physical, technical and organizational measures designed to secure your

information against accidental loss and unauthorized access, use, alteration or disclosure. In addition, we limit access to personal data to those employees, agents, contractors, and other third parties that have a legitimate business need for such access.

7.8 Information collected from you will be stored for such period as required to complete the transaction entered into with you or such period as mandated under the applicable laws.

8. Links to Third Party Websites and Apps

Our website may, from time to time, contain links to and from other websites of third parties. Please note that if you follow a link to any of these websites, such websites will apply different terms to the collection and privacy of your personal data and we do not accept any responsibility or liability for these policies. When you leave our website, we encourage you to read the privacy policy of every website you visit.

9. Social Network Plugins

This website incorporates plugins and/or buttons for social networks, in order to allow easy sharing on your favourite social networks. These plugins are programmed so as not to set any cookies when assessing the page to safeguard the privacy of users. Cookies may be set, if you make voluntary use of the plugin. The collection and use of information obtained by means of the plugin are governed by the respective privacy policies of the social networks.

10. Sharing of Personal Information

We do not share your personal data with third parties without your prior consent other than:

- With third parties who work on our behalf provided such third parties adhere to the data protection principles or enter into a written agreement with us requiring that the third party provide at least the same level of privacy protection as is required by such principles;
- To comply with laws or to respond to lawful requests and legal process;
